| 5. Spring 2002 Multi-Agency Aerial Imagery Update - Bakersfield, Shafter & Tehachapi currently interested. | Information |
| 6. Kern COG awarded 3 GIS Standards Grants from Great Valley Center Legacy Program, Federal Geographic Data Committee, and U.S. Army Corps of Engineers. | Information |
| 7. On-going Work Plan Projects For Technical Committee. | Information |
| a. E-911 Emergency Response Address Range Mapping Status - Maintenance and Training Coordination between City & County could be improved. Software limitations on getting data from Microstation MGE to ArcView format delaying distribution of latest streets to GIS users. | |
| b. Update Work Plan needed to add "public domain" data distribution policy. | |
| c. Annual Report scheduled for release November 2001 | |
| d. Redistricting 2001 - City/County/Kern COG collaborating well on creation of precinct maps. State failed to provide these maps, leaving the locals to fend for themselves. Census 2000 data coming out in Sept. 2001 (housing characteristics), and Sept. 2002. (income, poverty, etc.) | |
